Great Grand Dragons at the Worlds?

The IDBF is considering including a Great Grand Dragon (Senior C, 60+) division at the 2011 World Dragon Boat Championships in Tampa. Inclusion will be dependent on demand. Given this possibility the 2010-2011 Protocol for the Selection of the National Team has been updated to include this age class. The deadline for submission of the Expression of Intent form for National Crew Directors and deposit for this division is **February 15, 2010** (all other divisions are due January 15, 2010). Please note that for this division only deposits will be refunded if the IDBF does not offer racing for this class at the World Championships.
